

345 Stockport Road, Ardwick, Manchester, M13 0LF

SECOND IN SCIENCE

Teaching and Learning Responsibilities - £6,515

Dean Trust Ardwick is a recent addition to The Dean Trust family of schools and began life in September 2015 in a purpose-built new school for 120 Year 7 students. From September 2016, the staff and students moved into the new 1200 place school. Currently we have Year 7, 8 and 9 pupils and we look forward to having a full complement of pupils in 2019, whilst enjoying the benefits a growing school brings.

Situated on Stockport Road, a main route into Manchester city centre, we are in the heart of the Ardwick community and just next door to Longsight. We are a local school for local children, and we are here to provide a first class education for the pupils who attend the school, and to serve the community.

WHAT ARE WE LOOKING FOR?

Dean Trust Ardwick is seeking to appoint a Second in Science, holding Qualified Teacher Status to join a very talented and dedicated team of staff, who are determined to provide the best quality teaching and support for every pupil, and who are committed to maintaining our high standards.

The successful applicant will support the Head of Faculty in assuming overall responsibility for leading the development of Science across both Key Stages.

To ensure, by means of effective leadership and management, consistent excellence in the standards and achievement, teaching and learning, the quality of provision and personal development for all pupils in Science.

This is an ideal opportunity for a New Qualified Teacher seeking their first post in an ambitious school or an experienced teacher looking for a new opportunity to work in a brand-new school and to help set the standard and ethos for what is intended to be an Outstanding school in the heart of Manchester.

For further information about the Trust and full job description/person specification including details of how to apply for any of our vacancies please visit our website;
